Who can use F.L.A.I.R.?

Anyone with access to a touch-tone phone can use F.L.A.I.R. If you have a rotary-dial phone, a customer service representative will answer your call during working hours. (8:00a.m. – 4:30 p.m.)

Why use F.L.A.I.R.?

You'll be able to hear reviews of your plans, schedule an inspection, cancel an inspection or make a payment all over the phone. F.L.A.I.R. is on 24 hours a day, 7 days a week and all information is updated between the hours of 11 p.m. and 12 midnight.

Inspections are done between the hours of 8:00 a.m. to 3:30 p.m. Inspections requested before 1:30 p.m. will be scheduled for the next workday. Inspections requested after 1:30 p.m. will be scheduled for the next available workday. *(Please note: at any time, when the maximum number of inspections have been scheduled for a particular inspection type, the system will automatically schedule your inspection for the first available workday.)*

How to use F.L.A.I.R.

Just dial (954)-828-5191 and the system will guide you through the process of your choice. You will be pressing keys in order to make your options. Included in this brochure are steps on how to access the most used modules of the system. You can use that to follow along.
